ABOUT BENDIGO COMMUNITY HEALTH SERVICES (BCHS)

BCHS is located across five sites in the City of Greater Bendigo, Central Victoria. BCHS has a proud 50-year history and provides more than 50 services across medical and allied health, family services, drug and alcohol, mental health, settlement services, health promotion and more, with a focus on vulnerable people and communities.

The organisation has more than 280 staff supporting people of all ages and stages of life to access quality, person-centred care. We foster a values-aligned, positive and thriving culture where staff feel safe and supported. Staff have clarity of roles and work in an environment of accountability. The success of BCHS is dependent on our staff who provide a high level of professionalism and dedication.

VISION

Better health and wellbeing across generations.

PURPOSE

Supporting you and your family to live healthy lives.

VALUES

Lived and Living Experience: We listen to understand. We value our communities, their backstories, lived and living experiences and cultures and learn from them to tailor our services.

Equity: We provide equitable and inclusive health and wellbeing services, ensuring they are culturally responsive and accessible.

People: We maintain a skilled, engaged and professional workforce, including people with lived experience, and enable a culture of continuous learning.

Partnership: We understand trust and partnerships are key to achieving our purpose. We listen and learn - and share our knowledge and expertise in collaboration and co-design with our community, ensuring we are providing local solutions to community need.

Integrity: We uphold the values of the Universal Declaration of Human Rights and approach all we do with kindness and respect. We are ethical in all we do.

TEAM ROLE

headspace seeks to support the health and well-being of young people through direct therapeutic care and support. The service also leads coordinated care and referral pathways internally to other headspace programs and across the wider BCHS program profile. headspace also seeks to engage with community and improve community awareness of issues affecting young people, the impacts on their health and wellbeing, and strengthen understanding on the ways that communities, young people, their families, carers and supporters can contribute to improved wellbeing.

POSITION ROLE

The position sits within the headspace Bendigo Access & Response team, a multidisciplinary team of mental health clinicians. The key function of the Access and Response team is to be the first clinical intervention point for young people seeking to access mental health supports.
